Introduction

Daryeel Bulsho Guud -DBG (community care for all) is a Somali NGO which has been operating in Somalia since year 1993. It prides of its capacity to successfully implement both humanitarian and development projects. DBG core mission is to alleviate the sufferings of conflict and drought affected Somali people through provision of holistic and multi-sectorial, sustainable programs that link emergency relief and long-term development from the grassroots level.

In the last 10 years alone, with significant interest in the internally displaced people –IDPs as highest proportion of our direct beneficiaries, DBG supported over three million direct beneficiaries in different sectors including Food Security/livelihood, Education, Shelter/protection WASH, empower women economically and socially, promote social cohesion, and reduce.

DBG is a part of the Somali civil society aiming to assist Somalia in restoring its mutual respect and trust required both for the establishment of new, viable public and private institutions. For more details, visit www.dbg.so.

A. The Purpose of this Request for Proposal (RFP)

Subtotal-Community Sanitation and Drainage-Clearance Tools						
Grand Total						

Evaluation Criteria

- Only bidders who achieve a minimum technical score of **60 out of 100** should proceed to the financial evaluation.
- Technical score is the total marks the bidder gets from the technical parameters (refer to the table in **section E above**).
- The financial scoring formula used will be: **Financial Score = (Lowest Evaluated Bid ÷ Bidder's Evaluated Bid) × 100**
- Both scores, technical and financial, are then combined to an average score: **Total score= (technical score + financial score)/2.**
